

Dear Adrienne,

I did appreciate so much being asked to your re-union. If you see or are writing to any of the girls, please tell them how much I enjoyed meeting them again. I wish there had been time for me to talk with each one of them long enough to hear all about their husbands and their children and their outside interests and so on. A tall order! You all looked so well and happy and so little changed. If you get out a news letter, I hope you'll need me in order to bring me up-to-date on every one.

I'm sorry I didn't hear what you and your family are going

to do this summer. Let me know  
what you all did when you write at  
Christmas time.

Affectionately

You are the only staff member to whom  
I've made this suggestion latter as I think  
we might as well correlate the general  
reaction before working on an agenda or  
answering the interest <sup>of</sup> ~~from~~ other members of the  
staff -

The letter is far from witty or bright  
and I can't imagine it stirring ~~up~~ a  
society 1939 grad to travel 2000 miles  
but ~~let's hope for a~~ but will see what  
happens. It just occurred to me that  
if we didn't do something about a 25  
Arms we never would -

I would be most appreciative of  
any suggestions for an agenda - if the  
suggestion comes a reality - I realize  
that you are an extremely busy person and  
possibly a phone call to Adriana might  
save you the time it would take to  
write to me - However, I felt that  
you would know whether it would be  
feasible to tour the W. A. Bldg on a  
holiday wk. end.

Sincerely  
Patty

Dear Paddy.

It was so nice to get your  
little note and the information re  
a school reunion for our class. I  
think it is a wonderful idea, and  
only wish I could say "yes I  
will be there." However, I'm  
afraid it will not be possible,  
but will send along a letter and  
some snaps.

At first I thought we might  
be able to arrange something in  
the West. But in taking a second  
look at the list, there are really  
very few who might come. Also,

I called Phoebe Hamilton on the phone today & she said she was definitely not interested in a reunion, & was very lukewarm about the Western gals getting together. Then I had a phone call the other nite from Dorothy Munsie (Crappier) & as you may have heard from her, now, will know she is planning a trip East in May, so will be attending there. That leaves Susan Bealim & I. I am going to write Susan this week to see if she is going, or if she would be interested in motoring down. That is the only way I feel I might be able to go.

So these few items taken into consideration, I feel that one reunion in Toronto is the most logical. I do hope your plans will go through and wish you the very best luck for its success. If anything happens that I can change my plans and attend, I will certainly let you know.

I do hope if you are in Van. next month Patsy, that you will give me a call. I would love to have a chat with you. & perhaps we could arrange to get together. My phone no is HEI-5078. to save you looking it up.

Perhaps you could make a

note of my address, as it wasn't quite correct on the list.

Please remember me to Adrienne the next time you see her, and once again, every success in your endeavors.

Sincerely,

Barathy

P.S. - I haven't any idea where Anne Lyster is, but will try to make a few inquiries. D.
